PUBLIC RECORDS REQUEST

DEAR GC-CARE,

Thank you for your recent public records request pursuant to Florida Statute 119.07. This letter will serve as our acknowledgment of your request. For more information regarding the public records policy of the Office of the State Attorney for the Eighth Judicial Circuit, please refer to our website, http://www.sao8.org/records.html.

Pursuant to Florida Statute 119.07(1)(b), I am the designated employee of the agency for public records purposes. Public records are not free. The fees that we charge are based upon Florida Statute 119.07(4), and are more fully explained in our policy. If the cost for providing paper or electronic copies of records is less than $15.00, including postage and special service charges, the records will be provided at no charge as long as it is not cost-effective to collect such fees.

We will provide our response to your request within a reasonable period of time. How much time it will take to respond to your request will depend on a number of factors. These factors include: the scope of the request you have made; how many files must be reviewed in order to complete the request; the volume of data within the file(s); the type of file being requested; the nature of the data contained in the file; whether you have requested itemized redaction; and the volume of public records requests that we are handling.

Should you have questions or concerns regarding this matter, please feel free to contact me.

Sincerely,

BRIAN S. KRAMER
ASSISTANT STATE ATTORNEY
