Dear Sir or Madam:

Pursuant to your public records request of May 20, 2020: “This request is for copies of the first four pages of all depositions that have been transcribed in this case. in rough form, final form or any other form.”

I have conducted a diligent search of the file *State of Florida v. Natwaina Sharee Clark*, Case number 01-2017-CF-001221-A. There are no records that satisfy this request. While a review of this file indicates that depositions have been scheduled and taken, the Office of the State Attorney is not in possession of any deposition transcripts as of this date. This response constitutes this office complete response to the public records request as set out above.

Please do not hesitate to contact me if you have further questions. You should expect to receive an estimate for the remainder of your requests shortly.

Most Sincerely,

/s/ Brian Kramer
